AKRON SENSOR MANUFACTURER REPRESENTED AT OHIO GLOBAL SUMMIT

Akron, OH (August 31, 2009) – Summit Instruments, Inc.’s International Business Administrator, Jean Honsa, was featured at the Ohio Global Summit Program held at the Hyatt Regency in Columbus, Ohio on August 26, 2009. The full-day program covered global trade opportunities and regulations as well as Governor Ted Strickland’s Excellence in Exporting Awards.

Jean Honsa appeared at the afternoon session highlighting export compliance, which included practical knowledge from legal, governmental, and corporate standpoints. Speakers were Sam McLinn of the US Department of Homeland Security, Jon Yormick of Yormick & Associates Co., LPA, a Cleveland-based international trade law firm, as well as Jean Honsa of Summit Instruments, Inc.

A manufacturer and vendor of precision test instruments and sensors such as accelerometers, rate gyros, and inertial measurement systems, Summit Instruments exports products globally for use in industrial, military, aerospace, and other demanding applications.
